

- Goof Off® Super Glue Remover cuts through the toughest uncured adhesives and glues.
- Use it to eliminate costly messes and mistakes from adhesives.

Keep container closed when not in use. Always wear chemical-splash goggles and chemical-resistant gloves when handling. A dust mask does not protect against vapors.

**DIRECTIONS:** 1. Apply directly to adhesive/glue and allow 1-2 minutes to penetrate. 2. Wipe off softened glue. 3. Repeat if necessary.

**NOTE:** Multiple applications may be necessary to remove heavy amounts of cured super glues. For light areas, use a small paint brush for application.

**IMPORTANT:** Always test on an inconspicuous area first, as every hard surface is different. Damages many plastics, some automotive paints, and some carpets. You may need to rewash some surfaces to renew gloss.

**DANGER! EXTREMELY FLAMMABLE. VAPORS MAY CAUSE FLASH FIRE OR IGNITE EXPLOSIVELY. TO REDUCE FIRE RISK: ENSURE ADEQUATE VENTILATION TO PREVENT BUILDUP OF VAPORS.** Do not use in small, enclosed areas. If using indoors, cross ventilate work area and maintain fresh air movement by opening windows and doors. STOP work and leave area if strong odor is noticed or you experience dizziness. **IF WORK AREA IS NOT WELL VENTILATED, DO NOT USE THIS PRODUCT.**

**KEEP AWAY FROM HEAT, SPARKS, FLAME, AND ALL OTHER SOURCES OF IGNITION.** Extinguish all flames, pilot lights, stoves, heaters, electric motors and all other sources of ignition before use. Do not use until all vapors are gone. Do not smoke. Keep away from electrical outlets and switches. Beware of static electricity generated by synthetic clothing or other sources.

**DANGER! VAPOR HARMFUL. EYE, SKIN AND RESPIRATORY IRRITANT.** Contains Acetone and Tetrahydrofuran. Intentional misuse of this product by deliberately concentrating and inhaling vapors can be harmful or fatal. Avoid breathing of vapors or mist and contact with skin, eyes and clothing.

**FIRST AID: IF SWALLOWED,** do not induce vomiting. Call the Poison Control Center (1-800-222-1222), hospital emergency room or physician immediately for instructions. **IN CASE OF EYE CONTACT,** immediately flush with water, remove any contact lens, continue flushing with water for at least 15 minutes. If irritation persists, get medical attention. **IN CASE OF SKIN CONTACT,** immediately wash with soap and water. If irritation persists, get medical attention.

**KEEP OUT OF REACH OF CHILDREN.**

**Product Category:** General Purpose Adhesive Remover **Max VOC:** 20%
