22 FL OZ (651 mL)

STAINS DISAPPEAR

Safe for Indoor Surfaces*

Use it to clean:

- Tile • Stainless Steel/Chrome • Porcelain
- Fiberglass • Glass • Concrete/Brick

DIRECTIONS / INSTRUCCIONES:

1. Wearing rubber gloves, spray directly on rust stain.
2. Let stand for 20-30 seconds.
3. Wipe area with wet cloth. Rinse or dispose of cloth.

NOTE: Every surface is different, so always apply on an inconspicuous area before using. Will etch glass, glazed tile and porcelain if not rinsed immediately after stain is removed. May etch some older or worn porcelain tubs and sinks or ceramic tile. Do not use on paints, stains or bricks containing iron oxide pigments (red colorant). Do not use on natural marble, stone or terrazzo. Rinse immediately if product contacts metal-plated fixtures as metal finish can be removed.

**DANGER! SEVERE EYE IRRITANT. SKIN IRRITANT.
HARMFUL OR FATAL IF SWALLOWED.** Contains Oxalic Acid and Hydrofluoric Acid. Avoid contact with eyes and skin. Avoid breathing of vapors and mist. Do not ingest. Wear gloves when using this product.

FIRST AID: For eye contact, flush thoroughly with water for at least 15 minutes, removing any contact lenses, and get immediate medical attention. For skin contact, wash with soap and water. If irritation persists, get medical attention. If swallowed, do not induce vomiting. Drink several glasses of water, contact the Poison Control Center at 1-800-222-1222 or get immediate medical attention.

KEEP OUT OF REACH OF CHILDREN.
